Warm Rotary Greetings!

We are delighted to present the second edition of MYTHRI, the monthly bulletin of the Rotary Club of Hassan.

A special inaugural edition of MYTHRI was released on the occasion of our Club Installation Ceremony, featuring detailed information about our members, office-bearers, club history, leadership team, and other important highlights. Continuing this journey of communication and fellowship, we are pleased to bring out the second edition, covering the activities and memorable moments of July.

The month of July holds a special place in the Rotary calendar. It marks the beginning of a new Rotary year, when leaders and office-bearers across the world assume their responsibilities with renewed enthusiasm, fresh ideas, and a greater commitment to service.

Our District Governor, Rtn B. M. Bhat, has taken charge of Rotary International District 3182 with a clear vision, inspiring leadership, and a strong determination to take the district to greater heights through meaningful service and fellowship.

July was also a historic month for the Rotary Club of Hassan as Rtn Dr Geetha Kiran A assumed office as the first lady president of our prestigious club. A dynamic, passionate, and service-minded leader, she has begun her tenure with a progressive vision and a firm commitment to serving society, strengthening fellowship, and bringing greater recognition to the Rotary Club of Hassan.

Under her able leadership, the new Rotary year has commenced with enthusiasm, purpose, and several impactful initiatives. The active involvement and dedicated support of the club officers, directors, committee chairpersons, and members have added strength to this promising beginning.

This edition of MYTHRI presents the reports, activities, achievements, celebrations, and special moments of the Rotary Club of Hassan during the month of July.

We hope this bulletin will keep our members informed, connected, and inspired as we continue our journey of Service Above Self.

The Four-Way Test

of what we think, say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?

The Rotary Club of Hassan commenced the new Rotary year with a meaningful service project by donating an RO water purifier worth ₹35,000 to Karnataka State Open University, SMK Nagar, Arsikere Road, Hassan. The purifier was generously sponsored by our club member Rtn Pani Kumar B and will provide safe drinking water to thousands of students, staff members, and visitors.

On the same occasion, the club celebrated Doctors' Day and Chartered Accountants' Day and GST day by recognising and honouring the doctors and chartered accountants of our club for their valuable contribution to society. The programme was followed by a breakfast meeting, which witnessed excellent attendance and enthusiastic participation from the members.

2 July 2026

The Rotary Club of Hassan held its regular weekly meeting at Chiranthana office with a special focus on preparations for the Installation Ceremony scheduled for 9 July 2026.

Members actively participated in the discussions, and various arrangements, responsibilities, and programme details were finalised with the valuable guidance of senior Rotarians. The meeting concluded with a shared commitment to make the Installation Ceremony a grand and memorable success.

9 July 2026

The Installation Ceremony of the Rotary Club of Hassan was held at Nandagokula Convention Centre in a grand and memorable manner. Rtn Dr Geetha Kiran A and her team assumed office for the Rotary year 2026–27 under the banner Team AIKYAM.

PDG Rtn Keshav, the Installation Officer, delivered an inspiring address that motivated every Rotarian present and encouraged the newly installed team to serve with dedication and unity. Rtn Manjunath, Assistant Governor, presented the vision and plans of Rotary International District 3182 and conveyed the priorities of the District Governor.

The excellent teamwork, wholehearted support, and active participation of members made the ceremony a remarkable success, marking the beginning of a promising year of service, fellowship, and meaningful impact.

16 July 2026

The Rotary Club of Hassan successfully conducted its regular weekly meeting with a special Classification Talk by the club's new members. They introduced themselves and shared their professional journeys, passions, experiences, and aspirations.

The session created a wonderful opportunity for members to understand one another better, strengthen fellowship, and build meaningful connections. The meeting was well attended and concluded with warm interaction and encouragement for the new members.

23rd July 2026

Orientation Programme for New Members

The Rotary Club of Hassan conducted its regular weekly meeting with a special Orientation Programme at Chiranthana, Hassan. The session featured PDG Rtn B. N. Ramesh, IPDG Rtn K. Palaksha, and PAG Rtn Pradeep as the speakers.

The speakers shared valuable insights on Rotary values, leadership, fellowship, member responsibilities, and meaningful service. The informative and interactive programme inspired members to learn, share, and grow together, making the meeting highly beneficial and successful.

24 July 2026

The Installation Ceremony of the Rotaract Club of Malnad College of Engineering, sponsored by the Rotary Club of Hassan, was held at the Alumni Hall, MCE, Hassan.

Rtn Dr Geetha Kiran A, President of the Rotary Club of Hassan, served as the Installation Officer and formally installed Rtr Suraj C. S. as President for the year 2026–27, along with his team. The outgoing President, Rtr Lekhana V, was appreciated for her service and leadership.

The ceremony was graced by distinguished Rotary and Rotaract leaders, including Rtn B. M. Bhat, Rtn A. Manjunath, Rtn D. R. Mahesh, Rtr Reshma Ramesh, and Rtr Yashwanth L. S. The programme marked the beginning of a promising new Rotaract year dedicated to leadership, fellowship, and meaningful community service.

30 July 2026

The Rotary Club of Hassan conducted its regular weekly meeting at Rotary Suvarna Bhavan, Hassan, with Dr H. L. Mallesh Gowda as the guest speaker. He delivered an engaging and thought-provoking talk on “Happiness and Sadness – Sukha and Dukkha.” The interesting session offered valuable insights into understanding and balancing the different emotions and experiences of life.

The organising committee of Team VISTARA 2026 – Membership Development & Public Image Seminar and Awards Night also visited the club and invited members to register for the event, to be held in Hassan on 29 and 30 August 2026.

All members are requested to register and actively participate in this important district event.

The President, office-bearers, and members of the Rotary Club of Hassan attended the installation ceremonies of all clubs in Zone 9, strengthening fellowship and building meaningful connections with fellow Rotarians.

All members are requested to attend the club’s weekly meetings, service projects, and special events regularly. With active participation and teamwork, we can create a greater and lasting impact in society.

Members are also kindly requested to clear their annual dues on time, enabling the club to function smoothly and carry out its activities effectively. Together, we can make this Rotary year successful and memorable.
